March clubnight

Sixteen members and guests ventured out to the depths of Gedney Hill on the second Tuesday of last month for a fascinating visit to the premises of Contour Autocraft, run by Iain and Bruce McLeod.

They showed us a range of skills they have acquired over many years – more than 50 in Iain's case – in the art of metalwork and the quality of workmanship was quite outstanding. His skill with a hammer to shape a piece of metal had to be seen to be believed.

Iain and Bruce spend a lot of their time doing restorations of XK Jaguars but have been known to take on a variety of other projects which can warrant the input of their craftsmanship. They also run courses so others can learn how to do it. See www.contourautocraft.co.uk

Club stands

We have stands planned for Bourne on 14 June and Holbeach on 20/21 June, so if you are planning to attend, why not bring your car to go on the SEECCC stand?

If you can help, please contact Steve Saunders on 01406 424735 or e-mail ssaunders12@btinternet.com

Spring classic car runs in abundance

Unfortunately the motorsport event we were trying to get off the ground for **Sunday 17 May** won't now happen until 2010 – my apologies to those who had entered – but the good news is that we are planning a **Sunday Classic Run** instead.

You can start early(ish) in Spalding — or mid-morning from Waterside Garden Centre at Baston — and finish at Empingham, near Oakham, for an optional lunch at the White Horse. Details are attached so if you are interested in coming along, please send in your entry as soon as, and I will get a menu out to you if you wish to order lunch. Thanks in anticipation of your support...

In a similar vein, you will also find with this *News* the entry forms for the **Tuesday 9 June clubnight evening run**. David Shepherd and Alan Lyon will be putting this event on and are keen to receive your entries as soon as possible. The start will be in Bourne and, after about 30 miles of Run, the finish will be close by. Last year's clubnight run to Greatford was a great success, so please give David & Alan your backing for this one too.
