Classic Car Run: 14 September

Another excellent turnout of over 40 cars made our Annual Classic Car Run another runaway success last month. Many thanks to everyone involved, especially Alan Lyon, who was organised the event. He even arranged good weather too!

Cars left the start at the Golden Pheasant at Etton and then headed south through the Lincolnshire, Leicestershire and Northamptonshire countryside to arrive at the lunch halt at the Hotel Elizabeth on the edge of Corby. After lunch, and an opportunity to catch up with progress at the Italian Grand Prix, we headed off on a further 25 miles of route to the finish at Kelmarsh Hall, near Kettering.

Here the *Car of the Day* award was presented to Healey Westland owner Dave Holman by EEMC Chairman Simon Leonard.

'Car of the Day' on the Classic Car Run was Dave Holman's Healey Westland

We win Best Club Stand at Sleaford

Many thanks to Bill Fisher and all involved with the Club's first ever stand at a Classic Car Show, at the Sleaford Classics event held on 6th September.

This outing was particularly satisfying for all concerned as the Club came away with the Best Club Stand award.

Bill Fisher receives the Best Club Stand trophy on behalf of Spalding & East Elloe Classic Car Club at the Sleaford show.
